**12·1****Fact Triangles****Family Note**

In class today, your child reviewed the calendar and continued to practice multiplication and division facts. Please spend a few minutes with your child as often as possible practicing facts. You can use Fact Triangles, or you can play a game like *Multiplication Top-It* or *Beat the Calculator*.

Please return this Home Link to school tomorrow.

Fill in the missing number in each Fact Triangle. Then write the fact family for the triangle.
